Welcome

It is our pleasure to welcome you to the 23th Annual Meeting of the Scandinavian Society for Head and Neck Oncology (SSHNO), in Copenhagen, Denmark, April 26-27, 2012. The meeting is organized in collaboration with The Danish Society for Head and Neck Oncology (DSHHO). The scientific meeting is open for physicians, nurses, physicists and others with a special interest in head and neck cancer. A special seminar for head and neck oncology nurses is planned on April 26.

Venue

The annual meeting will be held at The Tivoli Hotel & Congress Centre, conveniently located in the centre of Copenhagen, only a short walk away from the Central Station and Tivoli. Please note that participants have to arrange accommodation themselves. A number of rooms will be available at The Tivoli Hotel & Congress Centre, and there are plenty of hotels in the vicinity: Other hotels within walking distance include Wakeup Copenhagen, Copenhagen Island Hotel and Hotel Marriott Copenhagen

Pre-meeting workshops April 25 2012 13.00-17.00

This year special pre-meeting courses with hands-on workshops have been organized in the afternoon before the scientific meeting. Space is limited, so please sign up early. Registration is done in connection with registration for the Annual Meeting. We hope this new initiative will become a success and facilitate Nordic interaction, also among our younger colleagues. Three different courses are planned on Wednesday 25 April 2012

- Basic ultrasound of the neck – theory and practice (Christian Godballe)
- Contouring and radiotherapy planning (Claus Andrup Kristensen)
- Intraoperative imaging in head and neck surgery (Christian Buchwald)

Scientific programme 26 April 2012 10.00 – 27 April 17.00

Topics for the plenary sessions, panels and discussions at the Annual Meeting will include:

- Epidemiology
- Fast track diagnosis and treatment
- Value of follow up programs
- Management of the neck
- HPV and treatment decisions
- Toxicity of treatment
- Rehabilitation
- Oral cancer and oral rehabilitation
- Robotic surgery
- Particle radiotherapy

Invited speakers will give keynote lectures and contribute to panel discussions and debates. Ample time will be available for proffered papers. Young scientists will compete for the best presentation award. For an updated programme, including invited speakers, see website www.sshno.dk.

Specielt for sygeplejersker - seminar for nurses (in Danish/Scandinavian)

Der vil være et seminar specielt for sygeplejersker involveret i udredning og behandling af hoved-halskræft. Der vil være indlæg fra forskningsleder, ph.d.
